

NSYSU COVID-19 Prevention Measures

Alert Level		Level 2
Enforced Period		Starting from November 2, 2021
Venues	Measures	
Classrooms and Teaching Area	<ol style="list-style-type: none"> In-person classes shall be conducted in accordance with the following, or distance learning mode shall be adopted instead: <ol style="list-style-type: none"> Fixed seating arrangement shall be practiced for the entire semester to keep contact tracing record; in cases where fixed seating is not possible, the instructor shall take a photo for future reference; In classes: instructors can temporarily remove masks during lectures when social distancing is maintained or partitions are in place; masks shall be worn at all times before and after lectures. Students shall wear masks at all times, disinfect regularly, and no eating or drinking is allowed. All classrooms shall be kept well ventilated and sanitized regularly, all equipment used during class shall be sanitized afterward. Persons under home quarantine and enhanced self-health management shall not come to campus and attend classes. International students under quarantine period (14 + 7 days) shall be under the "Reassurance Education Program" to ensure learning is not disrupted. Instructors shall provide alternative learning options, either asynchronous or synchronous, through online learning platforms or options to missed classes. Students' semester grades shall not be affected due to absence related to COVID-19. Principles for PE (physical education), swimming, internship, and performing arts classes: <ol style="list-style-type: none"> PE classes: masks shall be worn but can be temporarily removed during exercising, under the condition that the instructor and students do not have respiratory-related symptoms and social distancing is maintained. Masks shall be worn at all times when not exercising or after class. Contact tracing records shall be kept, and equipment sharing shall be avoided; in cases when sharing occurs, thorough disinfection is required for the following user. <ol style="list-style-type: none"> Swimming classes: keep contact tracing record, check temperature, sanitize facility, maintain ventilation, and monitor water quality; masks shall be worn at all times except for swimming and showering. Internships: follow the preventive measures of the Ministry of Education (MOE), use assigned equipment in divided groups to avoid sharing; when sharing occurs, thorough disinfection is required for the following user. Performing arts classes: masks shall be worn except during singing, dancing, and playing wind instruments. When the individual has respiratory-related symptoms and can NOT maintain social distancing, masks shall be worn. Instruments and mouthpieces shall not be shared. Classroom sanitization and disinfection management: <ol style="list-style-type: none"> Maintain well-ventilated: in-person classes shall be arranged in classrooms with windows, and windows from across corners of the room shall remain open for at least 15 centimeters; when using central air condition system, make sure that the ratio of the supply ducts and registers (i.e., ceilings covered by grills) are 2 to 1 to maintain circulation and interchanging air from outdoors. Increase frequency of cleaning and sanitization: disinfection shall proceed after an in-person class is dismissed; all academic units shall provide comprehensive training for cleaning personnel, who shall report daily health conditions for the record. Field trips: masks shall be worn at all times and keep contact-tracing records; plan with caution on the destinations and accommodation, and follow all relevant preventive measures announced by the government.
